ALPHA ZETA OMEGA

Greetings!

With the highest esteem and enthusiasm, I welcome you this evening. Alpha Zeta Omega Chapter is ecstatic to have you with us to participate in this auspicious occasion. This evening, we come together to celebrate a milestone that truly occurs only once in a lifetime. What an exciting time in our history - celebrating 95 years of unwavering commitment to our community! Thank you for supporting our Chapter and our Pink Pearl Scholarship Gala. Your support has not only given us an opportunity to support scholarships for Durham High School students, but also to provide other service to our community. For 95 years, we have been ***Serving the Bull City with PEARLfection!***

As the eight charter members of our Chapter envisioned 95 years ago, the members of Alpha Zeta Omega Chapter have committed our time and talents to serving the Durham community. Our membership has grown to over 400 members, allowing our service to exponentially increase. We are appreciative of the organizations that have partnered with us in providing that service. Thank you. I would also like to thank our International President, Danette Anthony Reed, and our Mid-Atlantic Regional Director, Nadine Vargas Stewart, for their leadership and support.

Alpha Zeta Omega is invigorated, poised, and prepared for your enjoyment as we celebrate our glorious past 95 years this evening. However, tomorrow we will be back at work strengthening our sisterhood, empowering our families, building our economic wealth, enhancing our environment, advocating for social justice, and uplifting our local community. Alpha Zeta Omega is committed to SERVICE. Whether we are wearing pink and green, or not, service is in our hearts. We are proud of who we are, where we are, and of our history. As we look ahead, we believe our future can be even brighter than our past. Our work has not ended. There is more for us to do.

Here's to another 95 fantastic years!

Indeed, your members share talent, passion, innovation, compassion, and a true desire to improve the greater Durham community at large.

A Message From the Sheriff

Congratulations to the entire membership of The Alpha Kappa Alpha Sorority, Incorporated® Alpha Zeta Omega Chapter, on celebrating your 95th anniversary at this year's Pink Pearl Gala.

It is my sincere honor to serve as the Sheriff of Durham County, and to have the opportunity to engage with organizations committed to service to humanity. Alpha Zeta Omega Chapter is an example of such an organization - one which continues to leave a positive mark on the many lives you touch through your civic engagement efforts.

I am aware your chapter has served the Bull City since 1928 with the mission of "Service to All Mankind." It is remarkable to remember the Chapter Founders were a small group of eight women who stood up and made a difference. Almost a century later, your chapter has made a significant difference across all of Durham. The Durham County Sheriff's Office remains committed to working with you to move our county forward and to keep our local citizens safe.

Similarly, one of my top priorities as Sheriff is to engage and connect with the local community – to be a sheriff for all residents of Durham County. Our missions of service are clearly aligned. The AKA's goals of civic engagement and strategic planning are very well known and mirror what we do here at the Durham County Sheriff's Office. Your dedication and commitment through your civic work has greatly helped to make our community a better place to live, work, and raise a family.

In closing, I look forward to continuing our excellent relationship to move our beloved Durham forward and to keeping our residents safe.

Rod of God Comedy

BIOGRAPHY

For well over 23 years, Comedian/Trumpeter Rod Allison (aka Rod of God Comedy) has performed nationally and internationally with Artists such as: Kirk Franklin; Donnie McClurkin; CeCe Winans; Marvin Sapp; Comedian D.L. Hughley and others.

Rod has provided comedy for several corporations and organizations including: The National Medical Association; Radio One; Pfizer; Novartis and for events at The National Museum of Women in the Arts (DC); Jamaica Fest; CIAA Basketball Tournament and more.

Surprising to many, this hilarious entertainer is also a Trumpeter who has spent decades crafting his musical gift. Rod was a featured soloist for the highly acclaimed NCCU Jazz Band which performed with the Count Basie Orchestra, Branford Marsalis and other notable musicians. Often audiences are astonished when he serenades them with his beloved trumpet during one of his shows!

He is known as the *“Attorney by Day and Comedian by Night Entertainer”* because when he’s not performing, Rod runs his own law practice in North Carolina. He graduated as Class Valedictorian from North Carolina Central University, where he currently serves on the Board of Trustees, and earned his law degree from UNC-Chapel Hill. He was also recognized as an HBCU Living Legend in honor of his dual career in Law and Comedy.

Throughout his comedic career, he has remained committed to his mission of proving:

“You can be funny without being vulgar...and a Christian without losing your sense of humor!”

Our community runs on it. CURIOSITY, THAT IS.

At Cary Academy, we challenge our students to be enthusiastically inquisitive: to seek adventure, revel in curiosity, follow passions, broaden worldviews, take risks, and try new things.

As one of the most diverse independent schools in the Southeast (55% students of color), there is no shortage of different voices with which to collaborate, share new ideas, or get a different perspective. We'd love to add yours.

You belong here. Learn more at [caryacademy.org](https://www.caryacademy.org).
